JOB TRANSITION SURVEY

Have your say on the big changes at NZ Post and how it might affect you.

The PWUA is conducting its own Job Transition survey to make sure the real feelings and needs of PWUA members are truly represented in the process. We will make sure the information gained will be used in the best interests of members - because we work for you (not the other way around or for any one else).

Simply scan the QR code above or go to

to complete online.

If you prefer a paper copy ask your PWUA delegate or text 021 798244 with your name and worksite.
